some spiritual views hold that our body is more than just physical and mental it s also an energetic system called chakras chakra is a sanskrit word that means

wheel or cycle there are seven main chakras situated along the spine from the base of your spine to the crown of your head this age old belief has become integrated into many new age styles of thought chakras are thought to provide subtle energy that helps your organs mind and intellect work at their best level chakras and spiritual energy have not been thoroughly examined in medical studies but they may help you think about your own mind and body like any religion or belief the chakras are mentioned in the various religions of the world and i will begin with the mentioning of the chakras symbolism in the bible particularly in the old testament in the old testament the chakras are referred to innumerable times however they are highly colored and hidden in allegories the stories of the old testament really have to do with the chakric levels so i d like to make reference right here by beginning in genesis in chapter 28 verse 12 where it states and he had a dream and behold a ladder was set on the earth with its top reaching to heaven and behold the angels of god were ascending and descending on it the ladder is the chakras and the lower mooladhara end is resting on the earth that is the lowest of the human chakras having to do with the planes of everyday material existence the top of the ladder is reaching the heavens that means that the ascent through the chakras leads a human being to liberation which is in the sahasara the angel that are made reference to moving up and down the ladders have to do with what we call the paths of pavriti and nivriti these are referred to in the indian scriptures the pavriti path having to do with the outward path of creation the limitations of individuality which has to do with the lowering of the human consciousness and the path nivriti is the path back to the original source and it has to do with the breaking down of our separateness which is considered to be the barriers limitations and to the raising of the levels of our consciousness in the new testament book of revelation in chapter 1 verse 20 we see reference again to the chakric system where it states as for the mystery of the seven stars which you saw in my right hand and the seven golden lamp stands the seven stars are the angels of the seven churches and the seven lamp stands are the churches it is quite clear in this verse that the seven lamp stands and the seven churches are indeed the chakras and the seven stars that are mentioned are the preceding deities referred to as angels in each chakra that meaning this has to do with the different powers and the different aspects represented by each chakra

in this insightful interpretation of the holy bible the profound spiritual and power bestowing truths of the sacred language of such old testament stories as the creation the flood and tower the life of joseph as a mystery drama and moises and the exodus are liberated from their cryptic enclosure the second of a two part abridgement published in 1994

the encyclopedia of the indian diaspora is the first comprehensive survey of indian communities around the world over 30 contextual features show the initiatives taken by these communities and the contributions they have made both internationally and to their host societies in areas as diverse as literature cuisine popular culture sports and political life the greater part of the book consists of 44

country region profiles covering all parts of the world written by over 60 scholars from across the globe most of whom are from the diaspora the encyclopedia provides insights into the experiences of a people about whom much is often assumed but little is actually known the recent expansion of the indian diaspora now some 20 million strong and growing is a social transformation of global significance many members of the diaspora have reached the highest levels of global commerce and trade international public service and diplomacy the professionals and academia in addition the creative literature from and about the diaspora holds a distinctive and distinguished place in the world s literary imagination
