throughout us history only three black women shirley chisholm carol moseley braun and kamala harris have given successfully recognized bids for the office of president of the united states in a black woman for president author dianna n watkins dickerson uses womanist rhetorical criticism to analyze the presidential announcement speeches of congresswoman shirley chisholm ambassador carol moseley braun and then senator kamala harris in close readings of each candidate s speeches watkins dickerson defines womanist rhetorical theory and its efficacy for researching black female voices in the field of communication in general and the presidential announcement speeches of black women specifically beginning with shirley chisholm s historic 1972 campaign as the first black woman to run a viable campaign for the us presidency the volume analyzes how chisholm s speech set a precedent for future generations of black women in politics by boldly asserting her right to lead despite the multiple barriers of race and gender the study then moves to carol moseley braun s 2004 presidential announcement exploring how braun s speech navigated the intersections of identity representation and political ambition during a time when black women in the senate were still a rarity finally the analysis culminates with kamala harris s 2020 presidential bid focusing on how her rhetoric blended elements of black feminist resistance and national unity in an era of heightened political and racial division the volume highlights the ways in which chisholm braun and harris drew upon their lived experiences and cultural legacies to construct powerful transformative narratives and argues that their speeches not only expanded the boundaries of political discourse but also reimagined the possibilities for leadership in america ultimately this study provides a rich interdisciplinary framework for understanding how black women have reshaped the political landscape through the power of their words

this stimulating volume challenges the tendency to represent african american women s experiences as a monolithic whole the interdisciplinary approach organized around the theme of activism enables an unusual and inventive selection of topics to be presented the history culture sociology and psychology of black women are richly represented

studies show that black men are more likely to seek medical attention follow a healthy diet and take prescribed medications if there is a woman in their lives in short black women play a key role in keeping their men healthy the first of its kind the black woman s guide to black men s health is a

comprehensive guide packed with valuable medical information prescriptive advice and personal stories from celebrity and non celebrity women about their men s health issues divided into chapters covering key health issues that overwhelmingly affects black men including prostate and colon cancer obesity diabetes and substance abuse to name a few this book provides strategies for building healthy partnerships within the home and community as well as invaluable guidance for finding the right healthcare and health insurance providers

in this book brittany c slatton uses innovative internet research methods to reveal contemporary prejudices about relationship partners in doing so she thoroughly refutes the popular ideology of a post racial america slatton examines the deep frame of white men found in opinions and emotional reactions to black women and their body types personalities behaviours and styles of speech their internet responses to questionnaires shows how they treat as common sense radicalised gendered and classed versions of black women mythologizing black women argues that the internet acts as a backstage setting allowing white men to anonymously express raw feelings about race and sexuality without the fear of reprimand

the award winning revisioning american history series continues with this groundbreaking new history of black women in the united states ibram x kendi the perfect companion to an indigenous people s history of the united states and an african american and latinx history of the united states an empowering and intersectional history that centers the stories of african american women across 400 years showing how they are and have always been instrumental in shaping our country in centering black women s stories two award winning historians seek both to empower african american women and to show their allies that black women s unique ability to make their own communities while combatting centuries of oppression is an essential component in our continued resistance to systemic racism and sexism daina ramey berry and kali nicole gross offer an examination and celebration of black womanhood beginning with the first african women who arrived in what became the united states to african american women of today a black women s history of the united states reaches far beyond a single narrative to showcase black women s lives in all their fraught complexities berry and gross prioritize many voices enslaved women freedwomen religious leaders artists queer women activists and women who lived outside the law the result is a starting point for exploring black women s history and a testament to the beauty richness rhythm tragedy heartbreak rage and enduring love that abounds in the spirit of black women in

communities throughout the nation

civil rights activists educators writers artists and workers these are the women of the afro american woman struggles and images an excellent anthology of essays that provides a more accurate image of the black woman and her place in history and in the cultural development of our society originally published in 1978 the afro american woman includes essays that highlight historical experiences common to black women the anthology also features essays that focus on early activists anna j cooper nannie burroughs and charlotta a bass this book is a long out of print valuable reference source it was the first written by black academics which analyzed these women s experiences from a historical and black nationalist perspective
