Creative Curriculum For Preschool Intentional Teaching Cards Ignite Little Minds Crafting a Creative Curriculum with Intentional Teaching Cards for Preschool Preschool is a magical time a whirlwind of exploration discovery and boundless imagination As educators we know that nurturing this innate curiosity requires more than just coloring sheets and story time It demands a creative curriculum thoughtfully designed to engage young minds and foster holistic development And thats where intentional teaching cards step in These arent your ordinary flashcards Intentional teaching cards are carefully crafted tools that guide planned purposeful learning experiences They provide a framework for structured activities while still allowing for spontaneity and childled exploration This blog post will dive deep into creating your own vibrant and effective set of intentional teaching cards transforming your preschool curriculum into a dynamic and enriching journey

Understanding the Power of Intentional Teaching Cards

Think of intentional teaching cards as minilessons plans cleverly condensed onto a single card They offer a concise overview of Learning Objective What specific skill or concept will the children learn eg identifying colors counting to ten understanding shapes Materials What resources are needed eg blocks paint playdough picture cards Activity A clear and concise description of the activity itself eg Build a tower using ten blocks counting each one aloud Assessment How will you gauge the childrens understanding eg observation questioning creating a simple drawing Differentiation How can you adapt the activity for children with varying skill levels eg providing extra support for struggling learners offering challenges for advanced learners

Visual

Imagine a card divided into sections each clearly labelled with the above points Include a mockup of a card maybe a simple drawing of a child building a tower with the written points clearly visible

2 How to Create Your Own Intentional Teaching Cards

- 1 Choose a Theme Start by selecting a broad theme relevant to your curriculum such as Colors Animals Shapes or Numbers This helps maintain coherence and flow in your teaching
- 2 Identify Learning Objectives For each theme break down the specific learning objectives you want to achieve Keep them ageappropriate and measurable For example instead of Learn about animals a better objective would be Identify three common farm animals and describe their sounds
- 3 Design Your Cards Use index cards sturdy cardstock or even create digital cards using Canva or PowerPoint Ensure the font is large and clear with vibrant visuals to attract young children Consider using bright colors and relevant pictures or illustrations
- 4 Write Concise Instructions Keep the activity descriptions simple and easy to follow Use action verbs and childfriendly language Avoid jargon or overly complex sentences
- 5 Plan for Differentiation Think about how you can adapt each activity to meet the diverse needs of your learners This might involve providing extra support modified materials or more challenging extensions
- 6 Add Assessment Strategies How will you know if the children have

met the learning objective Include simple assessment methods like observation questioning or creating a simple product Visual Include images of different types of cards simple handwritten cards more visually elaborate ones with pictures and potentially a screenshot of a digital cardmaking tool Practical Examples of Intentional Teaching Cards Theme Colors Objective Identify and name primary colors red blue yellow Activity Sort colored blocks into three separate containers labeled with the color words Materials Colored blocks three containers color word labels Assessment Observe children sorting the blocks and ask them to name the color of each block Theme Shapes Objective Identify and name basic shapes circle square triangle Activity Use playdough to create different shapes Materials Playdough shape templates optional 3 Assessment Observe childrens creations and ask them to name the shapes theyve made Theme Numbers Objective Count to five and match numbers to quantities Activity Match number cards 15 to corresponding sets of objects eg five buttons Materials Number cards 15 sets of objects Assessment Observe children matching the numbers to the objects Integrating Intentional Teaching Cards into Your Preschool Day These cards shouldnt dictate your entire day Use them as flexible guides adapting them to the childrens interests and energy levels You can Use them for center activities Place several cards in different learning centers allowing children to choose activities independently Integrate them into small group instruction Use cards to lead focused activities with smaller groups of children Use them for transitions Use a card to signal the transition between activities providing a clear visual cue for the children Summary of Key Points Intentional teaching cards are powerful tools for creating a creative and engaging preschool curriculum By clearly defining learning objectives outlining activities and incorporating differentiation and assessment you can maximize the impact of your teaching Remember to keep the cards simple visually appealing and adaptable to the childrens interests and needs The key is flexibility and a focus on creating a fun and enriching learning environment Frequently Asked Questions FAQs 1 How much time should I spend on each activity This depends on the age and attention span of the children Start with shorter activities 10-15 minutes and adjust as needed 2 What if a child doesnt understand the activity Provide additional support simplify the instructions or modify the materials Remember to observe and adapt to individual needs 3 Can I use these cards for different age groups While the basic concept is applicable across age groups youll need to adapt the complexity of the activities and learning objectives to suit the developmental stage of the children 4 How often should I change the cards Regularly rotating the cards keeps the activities fresh and engaging Aim to change them every week or two depending on the childrens engagement level 4 5 Are there premade intentional teaching cards available Yes Many online resources and educational suppliers offer premade sets of intentional teaching cards However creating your own allows for greater customization to your specific curriculum and childrens needs By implementing intentional teaching cards youll not only enhance your preschool curriculum but also foster a love of learning in your young students Remember to remain flexible observe your students carefully and adjust your approach as needed Happy teaching
