according to the bible our experience of christ as life is both progressive and practical in our experience we must progress from being in christ to abiding in christ and from christ abiding in us to ultimately being full grown in christ in the experience of life witness lee presents these and many more practical principles to guide our spiritual growth and development along the proper path to knowing christ in a deeper and fuller way

watchman nee s writings have become well known for their deep spiritual insight among christians in many nations for many years through these volumes a full understanding of his balanced and proper view concerning the bible and the spiritual life can be accurately appreciated this new compilation and retranslation of watchman nee s writings present the reader a fresh and unedited version of his ministry and promises to shed new light on the reader s understanding of watchman nee s ministry

throughout the centuries of church history the lord has progressively carried out his work of recovery in this book witness lee shows that the lord s present advance is to recover the priesthood of the gospel the organic building up of the body of christ the perfecting of the believers and the speaking of god s word for the building of the body of christ he concludes with help as to how we can practice these four matters

this book is another handwriting on the wall regarding the resurgence of easter as we approach yet another year of religious resurgent easter celebrations in christendom it is imperative that all believers know the fundamental truth regarding the god of resurrection in the scriptures in this book we will cover many subjects on the goal and purpose of the resurrected christ we will discuss the significance of resurrection and why it is pivotal for our daily christian walk moreover we will discuss the non scriptural basis of easter and its origin what do the scriptures reveal concerning the truth of resurrection is easter idealistic or scriptural furthermore we need to consider how to know christ experientially and the power of his resurrection what is god s eternal economy concerning resurrection in the scriptures

there are three stages of god's full salvation in the scriptures essentially we need to realize all three stages so that we may live a normal christian life and not be self deceived believing that the initial salvation is enough to enter into glory can christians utilize heaven to enter into glory what is the pathway to glory and how can we obtain it according to the scriptures is there a difference between redemption and salvation the god of glory can lead you into glory through his full salvation in three stages only through the three stages of god's full salvation can you become a living member of his body that is the church and allow christ to make his home in your heart subsequently through daily renewing transformation maturation and conformation christ himself will be expressed in us and through us to such an extent that we will be glorified from within therefore there is no need to wait for glory we desperately need to seek him pursue him gain him and be found in him so that we may be glorified in him in order to be glorified in him we must choose between two universal kingdoms the kingdom of god or the kingdom of satan this spiritual trajectory should be the goal and purpose in your daily christian life on the pathway to glory the shulammitte divine

in this second edition there are four added messages from the book of ezekiel and 1 corinthians the first three messages are focused exclusively on ezekiel and the last message covers 1 corinthians inclusively messages five to eight covers having a crystal clear sky and a purified conscience an excerpt from the ministry and god's judgment based on his righteousness holiness and glory as characterized by today's christianity first corinthians chapter 6 covers the need of a governing vision concerning god's eternal economy in the matter of his organic body the first governing vision is that we need a governing vision to see that our bodies are members of christ's organic body do you know the truth about our bodies being members of christ's organic body we need to see a vision of this subjective truth the second governing vision we need to see is that the regenerated believers in christ are one spirit with him what does it mean to be joined to the lord as one spirit to be one spirit with the lord in this organic union we need to abide in him how can we abide in him as the true vine the divine answer is in 1 john 2:27 the third governing vision is to see that our body is the temple of god's dwelling place habitation reproduction duplication and counterpart that he might be expressed in us and through us moreover i discussed the known issue of the conceptual fallacy of glorifying god in our body message 5 having a crystal sky and a purified conscience the following is an excerpt taken from the life study of ezekiel message 13 accompanied with holy bible recovery version verses and footnotes please read ezekiel 20:6 11 12b 13 4 5 17 18 14 3 5 22 25 30 3 7 2 3 4 6 22 13 19 as we approach the close of this evil age according to the scriptures we are living in the time of the fifth of the seven seals revelation 6:9 11 four seals have been fully fulfilled the sixth seal is soon approaching as the initiation of the great tribulation that will shake not only the earth but also heaven revelation 6:12 17 ezekiel chapter one is the deepest and profound chapter in the entire bible the divine concept in this chapter is unfathomable nonetheless we should experience this chapter on a daily basis in our christian life therefore it is imperative that all believers in christ have a daily experience of a clear sky in their prayers a clear sky indicates a crystal clear heaven transparent fellowship and a pure undefiled conscience void of offense before the lord and man moreover in order to have a purified conscience without mixture we need to daily even hourly confess our sins and keep short accounts before the lord as the day draws near the intrinsic significance of god's word is the inoculation suffusion and dispensing of his life and nature into your tripartite being making you the same as he is in life and nature only but not in the godhead partaking of god's word in the all inclusive spirit will produce an organic union with the believers making them members as his organic body the church message 6 israel's deplorable spiritual condition characterized by today's christianity an excerpt from the ministry unfortunately the actual condition of israel was very poor if we read the long record in ezekiel from chapter two to chapter twenty four we may feel like weeping over israel's pitiful condition rebellious house the people of israel were god's elect but they became rebels against god many times in these twenty three chapters god said that israel was a rebellious nation a rebellious house in 2:3 the lord said to ezekiel and he said to me son of man i am sending you to the children of israel to rebellious heathen who have rebelled against me they and their fathers have transgressed against me unto this very day in verses 5 and 6 god referred to them

as a rebellious house and in verse 7 he said that they are most rebellious they were god's elect but they had become rebels against god these are also the main causes of the degradation of god's new testament elect the church revelation 2 4 12 15 walking after the manner of the nations after the people of israel became associated with the nations they began to walk after the manners and customs of the nations this means that they followed the nations we need to realize that the three causes of the fall and degradation of israel are also the main causes of the fall and degradation of today's christianity these causes are loving something more than the lord or in place of the lord association with the world and walking after the manner of the heathen although we are in the lord's recovery i am concerned that some may still have an idol within them may still be associated with the world and in their daily living may still walk after the manner of the heathen we should not pattern our life after unbelievers in any way for example we should not follow the unbelievers in the matter of the style of dress we should not care for any particular style but care to have a proper outward appearance the way we live the way we spend our money and the way we dress should not be after the manner of the nations we are a holy people and for this reason we must be different from the worldly people message 7 god's judgment based on his righteousness holiness and glory as characterized by today's christianity scripture reading ezekiel 8 2 4 9 34 11 22 24 10 2 22 20 22 14 21 12 15 7 21 33 21 3 17 9 4 6 8 11 16 17 20 40 17 22 23 21 10 27 29 21 god's righteous judgment on his people what is the basis of god's righteous judgment upon his people god's judgment on his people is based on three intrinsic matters that is god's righteousness god's holiness and god's glory as previously mentioned in ezekiel chapter 1 there is a throne with the appearance of a sapphire stone as signified by god's righteousness the fire signifies god's holiness and the electrum signifies god's glory as we approach yet another holiday season we need to be clear that all these negative things are an affront to god why because these negative things oppose god's righteousness holiness and glory and perpetually provoke him to wrath ezekiel 8 1 11 25 depicts a deplorable vivid picture of israel miserable condition spiritually and physically as typified by the church in laodicea revelation 3 14 22 and characterized by christendom because the presence of god's glory invariably filled the temple idolatry was an insult to the spirit of god today's temple is our tripartite being where the indwelling spirit of god abides moreover ezekiel saw in a vision images of idols all over the walls of the temple and god's people weeping and worshipping idols therein the degradation of god's people precipitated god's gradual departure from the temple the city and ultimately the people in the christian life it is the same once the believer deviates to idol worship first his human spirit affects his departure then our soul affects his departure and finally our physical body affects his departure since the degraded believer left his first love for the lord the lampstand is removed as typified by the church in ephesus revelation 2 1 7 regrettably even the lampstand is removed from the individual christian believer who has degraded to idol worship the lord will never tolerate idols that utterly invade our hearts as a result christ the preeminent one is replaced with idols in their hearts consequently christ is hindered to the uttermost from making his home in their hearts due to the occupation of idols resultantly christendom typifies the church in laodicea as christless with christ knocking at their doors furthermore christendom as typified by the church in laodicea has not only left their first love for the lord but also lost the glory of god therefore the severity of god's righteous judgment is initially upon the effulgence of his glory any believer who has anything or anyone that attacks god's glory has invoked his righteous judgment undoubtedly christendom is under god's direct judgment and will suffer gradually by degrees until the manifestation of his judgment seat why because idolatry of every kind is lawlessness in principle there are all kinds of things that can become an idol to illustrate there are countless american idols in this country even adulterating the word of god for base gain our jobs sports activities family husband wife children and so forth indeed today's christendom is replete with seasonal idols of every kind as well all idol worship will be judged at the judgment seat of christ 2 corinthians 5 10 message 8 today's christianity abuse of freedom and the need for a vision of god's eternal economy scripture reading 1 corinthians 6 13 20 6 13 foods are for the stomach and the stomach for foods but god will bring to nought both it and them but the body is not for fornication but for the lord and the lord for the body 6 14 and god has both raised up the lord and will raise us up through his power 6 15 do you not know that your bodies are members of christ shall i then take the members of christ and make them members of a prostitute absolutely not 6 16 or do you not know that he who is joined to a prostitute is one body for he says the two shall be one flesh 6 17 but he who is joined to the lord is one spirit 6 18 flee fornication every sin which a man may do is outside the body but he who commits fornication sins against his own body 6 19 or do you not know that your body is a temple of the holy spirit within you whom you have from god and you are not your own 6 20 for you have been bought with a price so then glorify god in your body how desperately we need to see a governing vision of god's eternal economy that is god's desire to build himself into his called chosen redeemed regenerated transformed and conformed people to make them his duplication counterpart reproduction habitation and dwelling place in their hearts through his divine dispensing thus the church is produced as the organic body of christ for his corporate expression and manifestation to consummate in the new jerusalem for all eternity being many members of christ's organic body according to god's eternal planned economy our bodies are members of christ's organic body do you know the truth about our bodies being members of christ's organic body we need to see a vision of this subjective truth why without a vision the people will become reprobate in mind and heart as proverbs 29 18 says where there is no vision the people cast off restraint unfortunately this is precisely the spiritual condition of the church in corinth the church in corinth is a gentile church that the apostle paul raised up it was

through him that they believed and received the lord jesus as their savior however during that time they abused their freedom in christ and became degraded for god to fulfill his eternal planned economy with the believers in the church in corinth they needed to allow christ to build his home his dwelling place within their hearts that they may be filled with the fullness of god and thus produce the church as his organic body ephesians 3 17 however due to their negligence indifference and passivity they filled themselves with substance and alcohol abuse 1 corinthians 5 11 6 10 11 21 15 34 including fornication of every kind and sodomy indeed the church in corinth characterizes today's christendom since we should be members of christ's organic body according to romans 12 1 4 5 we need to desperately practice this membership and offer our bodies to him in other words instead of becoming members of a denomination christendom desperately needs to become living members of christ's organic body we need a governing vision concerning this deep truth in the scriptures concerning god's eternal purpose in creating man he is the triune god to dispense himself in your tripartite being

chapter seven of the book living letters of christ covered crucial matters regarding the seventy weeks prophecy chart in daniel chapter 9 the destiny of israel and the destiny of the seven churches in revelation in chapter 8 of the living letters of christ continues the seventy weeks prophecy regarding the prolonged interval of unknown duration in three ages the age of mystery the age of grace and the age of the church as we approach the end of this evil age this chapter will review the close of the age of mystery the age of grace and the age of the church furthermore this chapter will reveal how the man child in revelation chapter 12 is constituted and produced in all six chapters of paul's epistle to the ephesians in the book of revelation we will fellowship on the constitution of the man child for the rapture to god's throne to consummate and culminate the age of the kingdom where righteousness dwells 2 peter 3 13 we will cover illustrations of the reality of the kingdom of the heavens in contrast to christendom's leaven of heaven the hour of trial is about to commence that will facilitate the great and horrific tribulation according to god's governmental administrative judgment hence this chapter will supplement and prepare those who are called chosen redeemed regenerated transformed and conformed people as his bride counterpart and habitation to culminate this age only the overcomers will live a life of righteousness that will facilitate the fulfillment of god's eternal economy for his expression manifestation and kingdom it is time for the judgment of his throne of authority to judge his household administration it is time for judgment to begin from the house of god it is time for christ as the center of god's household administration to judge his believers who name the name of jesus for it is time for the judgment to begin from the house of god and if first from us what will be the end of those who disobey the gospel of god 1 peter 4 17 according to this verse god's judgment will begin from his household not occasionally but continuously from the day of salvation until his return this household administration is the church his organic body that is composed of all the regenerated believers hebrews 3 6 1 timothy 3 15 ephesians 2 19 it is from this house god's own household that he has begun his governmental administrative judgment over his regenerated believers why in order for god to ultimately judge his universal kingdom he must firstly judge his own governmental household administration that is his church as the organic body of christ based on this ground of righteousness god can judge all the rebellious false believers disobedient those who teach different things speaking apostasy with consummate pathological lies what is apostasy apostasy denotes not only a departure from the truth but it is also worshipping god in a devilish satanic way and all the defeated believers who have disobeyed the gospel of the kingdom as characterized in these verses 1 timothy 1 3 10 18 20 4 1 3 2 timothy 3 1 9 it is time for the consummation of the age of grace the age of mystery and the age of the church christ's judgment seat will commence shortly are you ready for judgment are you prepared for his judgment seat are you an overcomer let us pray o lord jesus i call upon your name right now o lord jesus i need you o lord i believe into you and receive you as my lord savior and coming king cleanse me thoroughly by your precious blood i confess all my sins i turn my heart to you turn me from my darkness to your divine light you are the light of life shine out of my darkness into your divine light that i may live walk and conduct myself according to your divine life give me the ears to hear your voice cause me to make this choice make me your overcomer now amen

the divine life is not knowledge doctrines or anything else but the spirit the letter kills but the spirit gives life as the redeemer christ himself became a life giving spirit we receive christ as the savior the redeemer and also as the life giving spirit he alone gives us the spirit of life in order to receive life we need to contact the spirit as the pneuma by breathing him in romans 8 2 says the law of the spirit of life has freed me in christ jesus from the law of sin and of death the spirit is the releasing spirit who sets us free second corinthians 3 17 says the lord is the spirit and where the spirit of the lord is there is freedom this law of life releases us from moses law the law of sin and of death the function of the law is to expose transgressions without the law we would not know what sin is but whenever our heart turns to the lord who is the releasing spirit the veil is taken away the mind set on the spirit is life by setting our mind on the spirit spontaneously the divine life sets us free

many christians throughout the centuries have held to one of two extremes concerning our service to the lord certain spiritual persons insist that to serve the lord is absolutely a matter of life they say that since we have life we will grow in our service so there is no need

of any training those at the other extreme insist that we must receive schooling in order to serve we need the proper life plus the proper training we should not insist on either extreme yes we need life without life we cannot carry out the spiritual things however this does not mean that as long as we have life we need nothing more in addition to the proper life we still need the proper training and practice

the lord wants the believers to have a living that is a mutual abiding in spirit the believers abiding in the lord and the lord abiding in their spirit man has a human spirit for him to receive god as life but the believers must be diligent to exercise their spirit to live by the lord for the church life in a living of mutual abiding with the lord witness lee shows that living with the lord in the way of mutuality is the central revelation of the bible for this the lord jesus went through a process he became flesh a man to be our redeemer and he became the life giving spirit to be our savior in life the lord first comes into us and then he abides in us this mutual abiding is altogether in the one spirit he who is joined to the lord is one spirit 1 cor 6 17 christ as the life giving spirit comes into our human spirit for us to be one mingled spirit and this makes possible the living of the highest christian life a mutual abiding with the lord

in the life and way for the practice of the church life witness lee speaks not only of our need to know christ but also of our need to receive a vision of the church his body enjoying christ as life will lead us into the proper practice of the church life in the proper church life we all live and move as members of the body guard the genuine ground of oneness and experience christ in order to present his riches in the meetings for the building up of his body

this book is intended as an aid to believers in developing a daily time of morning revival with the lord in his word at the same time it provides a limited review of the international training for elders and responsible ones webcast from anaheim california on april 16 18 2021 the general subject of the training was vital factors for the recovery of the church life through intimate contact with the lord in his word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the body of christ

while outward adjustment and efforts at self improvement may produce temporary results they quickly fade the inward operation of the living christ however produces genuine and lasting spiritual growth the experience of christ as life for the building up of the church unveils that this inward operation of life also results in the building up of the church as the expression of god in each chapter witness lee presents not only a clear vision of our enjoyable christ but also many practical ways for us to enter into the enjoyment and expression of christ in the church

god s new testament economy is to build the church with christ through the kingdom the church is god s goal god s desire and destination his intention is to build the church as we all know in order to build anything we need certain material the material for the building of the church is christ along with the material we also need the method of building in matthew 16 we see the goal the material and the method the goal is the church the material is christ and the method is the kingdom

the entire content of the bible especially the new testament is life life is its center life is the substance element and factor of the entire new testament the new testament is a book of this life acts 5 20 the eternal life in this book witness lee touches on numerous biblical principles and experiential matters related to the experience and growth in the divine life
