what drives a person to pursue perfection to submit to the will of others or to follow a road already marked out that leads straight to failure it is the hidden rules that we have generated since pregnancy and that now condition our existence without us realising it the p e c c le regole nascoste della vita

the hidden rules of life method explains how these rules influence our current choices and relationships through the stories of the protagonists the author leads us to understand the deeper meaning of one's actions their origin and how to change them in order to realise ourselves fully the hidden rules emerge already during gestation when we are programmed to adapt to the environment that awaits us after birth if not updated these rules can lead to a life of deprivation dependence on others and failure with no escape from ourselves the author teaches how to recognise and replace them in order to live as creators of one's own existence a journey of discovery that leads to new perspectives on ourselves others and the world
